

Continuing Education Credit Information

COURSE DESCRIPTION

We cordially invite you to attend the **3rd World Bronchiectasis Conference** at Georgetown University in Washington, DC on July 12-14, 2018. The conference is a focused, cutting-edge gathering of the world's experts on bronchiectasis and nontuberculous mycobacterial lung infections. Highlights include recent advances in research on disease mechanisms in bronchiectasis, including new understandings on the role of inflammation, infection and the microbiome. Clinical topics will include sessions on the diagnosis and treatment of bronchiectasis and NTM infections, including small group, case-based presentations specifically aimed at understanding the role of airway clearance, anti-inflammatory treatments and antibiotics. On Saturday morning, July 14th, the program will navigate the management of patients with nontuberculous mycobacterial lung infections and will be of particular interest to pulmonologists and infectious disease practitioners who treat patients with these challenging infections.

The meeting brings together the expertise of the US Bronchiectasis Research Registry and the European Bronchiectasis Registry (EMBARC) principal investigators as well as experts from Canada, Asia, Australia and New Zealand. This program will benefit the entire healthcare team who care for patients with bronchiectasis and NTM infections including pulmonologists, infectious disease physicians, pharmacists, nurses and respiratory care practitioners.

LEARNING OBJECTIVES

- Recognize the prevalence of bronchiectasis and utilize strategies to diagnose and assess severity.
- Implement appropriate treatments for bronchiectasis based on current guidelines and review of the literature.
- Analyze the patient's perspective with regards to the impact of the disease and treatment on day to day life.
- Utilize best practices in treating specific infections in bronchiectasis.
- Recognize the important role of respiratory care practitioners in teaching airway clearance modalities.
- Identify the drug and patient specific issues that complicate the care of patients requiring multiple therapies.

TARGET AUDIENCE

This conference is intended for pulmonologists, critical care physicians, infectious disease specialists, pharmacists, residents, fellows, nurse practitioners, physician assistants, nurses, respiratory care practitioners, allied health professionals, students, and any members of the healthcare team interested in the evaluation, diagnosis, and management of patients with bronchiectasis and nontuberculous mycobacterial lung infections.

ACCREDITATION

In support of improving patient care, MedStar Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), the American Nurses Credentialing Center (ANCC) and the American Academy of PAs (AAPA) to provide continuing education for the healthcare team.

IPCE CREDIT™

FOR RESPIRATORY CARE THERAPISTS

This activity has been approved for 12 Respiratory CEUs by the MD/DC Society for Respiratory Care.

CREDIT DESIGNATION

This activity was planned by and for the healthcare team, and learners will receive 13.75 Interprofessional Continuing Education (IPCE) credits for learning and change.

Registration Information

WBC REGISTRATION FEES	EARLY BIRD RATE NOW – MAY 15	MAY 16 – JULY 10	ON-SITE
Physician	\$425	\$475	\$525
Resident/Fellow/Student	\$200	\$200	\$250
Advance Practice Clinician	\$250	\$300	\$350
Nurse	\$250	\$300	\$350
Allied Health Professional	\$250	\$300	\$350
Industry Professional	\$950	\$1,000	\$1,050
Saturday Morning NTM Session Only	\$100	\$100	\$125

Registration fees include all days and sessions at WBC except where noted. Patients and their families may register for the July 14 Patient Forum by visiting the WBC 2018 Patient Forum website at <https://cme.medstarhealth.org/bronch>.

ONLINE REGISTRATION PREFERRED

Please visit our secure website at www.worldbronch.com for updated program and registration information. We are unable to accept registrations or cancellations by telephone. If you wish to pay your registration fee by check, please download and print a registration form and mail it to the address on the registration form with your check.

All registrations will be confirmed by email only. Please use an email address that you check regularly. If you have questions regarding registration or do not receive an email confirmation of your registration within 1-2 business days, please contact us at medstarWBC@gmail.com.

CANCELLATION POLICY

Cancellations made in writing by **Tuesday, May 15, 2018** will be subject to a 50% penalty. No refunds will be given after Tuesday, May 15, 2018. Cancellations will not be accepted by telephone. In the unlikely event that the course is cancelled, MedStar Health will refund the registration fee, but is not responsible for any travel costs. Please note registration fees are non-transferable.

Please call 202-780-1655 or email medstarWBC@gmail.com if you have any questions or need any additional information.

Venue Information

GEORGETOWN UNIVERSITY and GEORGETOWN UNIVERSITY HOTEL & CONFERENCE CENTER

3800 Reservoir Rd, NW
Washington, DC 20057
202-687-3200

Room Block Rate: \$164/night, plus applicable tax

Please call the Georgetown University Hotel & Conference Center front desk at 202-687-3200 or visit our website at <https://worldbronch.com/hotel-travel> to reserve a room at the group rate.

When making reservations by phone, please indicate that you are a part of the "WBC 2018" group. The cut-off date to book hotel rooms is **Friday, June 8, 2018**.

JULY 12-14, 2018

GEORGETOWN UNIVERSITY
3800 RESERVOIR RD NW | WASHINGTON, DC 20057

CALL FOR ABSTRACTS

MedStar Georgetown University Hospital is pleased to invite you to submit an abstract for poster presentation at the 3rd World Bronchiectasis Conference. Abstracts for the poster sessions will be selected on the basis of their scientific merit and content quality. This is your chance to interact with pulmonologists, critical care physicians, infectious disease specialists, pharmacists, and respiratory care practitioners from around the world and to educate and expose your work to leaders in your field. Submit your abstract on our website at www.worldbronch.com by **Friday, June 1, 2018**.

Agenda

THURSDAY JULY 12

5:00 PM	Registration	8:00 PM	Advancing the Understanding and Care of Patients with Bronchiectasis Alan F. Barker, MD
7:00 PM	Welcome Remarks Timothy R. Aksamit, MD Anne E. O'Donnell, MD	8:30 PM Opening Reception with Exhibits	
7:15 PM	Opening Address and Award Ceremony Kevin Winthrop, MD, MPH		

FRIDAY JULY 13

7:30 AM	Registration and Continental Breakfast	11:45 AM	Lunch and Visit the Exhibits and Posters
8:30 AM	Breakthrough Therapies for Bronchiectasis <i>Co-Chairs:</i> Alan F. Barker, MD; Anthony De Soyza, MD, PhD <i>Speakers:</i> Charles Haworth, MD; Mark Metersky, MD	1:30 PM	Update on Imaging and Diagnosing/Phenotyping in Bronchiectasis <i>Chair:</i> Pieter Goeminne, MD, PhD <i>Speaker:</i> Stefano Aliberti, MD
9:30 AM	Morning Break and Visit the Exhibits and Posters	2:30 PM	Afternoon Break and Visit the Exhibits and Posters
9:45 AM	MORNING BREAKOUT SESSIONS <i>Select one to attend</i>	2:45 PM	AFTERNOON BREAKOUT SESSIONS <i>Select one to attend</i>
	BREAKOUT 1: How to Evaluate Your Patient M. Leigh Anne Daniels, MD, MPH		BREAKOUT 1: How to Evaluate Your Patient Gregory Tino, MD
	BREAKOUT 2: Implementing a Comprehensive Airway Clearance Program Pamela McShane, MD		BREAKOUT 2: Implementing a Comprehensive Airway Clearance Program Peadar Noone, MD
	BREAKOUT 3: Medication Therapy and Pharmacogenetics: A PharmD's Perspective Eric Matey, PharmD, RPH		BREAKOUT 3: Medication Therapy and Pharmacogenetics: A PharmD's Perspective Eric Matey, PharmD, RPH
10:45 AM	Microbiology and the Microbiome in Bronchiectasis and the Impact of Macrolides <i>Co-Chairs:</i> Patrick A. Flume, MD; Conroy Wong, MD <i>Speaker:</i> Josje Altenburg, MD, PhD; J. Stuart Elborn, MD	3:45 PM	Abstract Poster Session
		5:00 PM	Inflammation and Infection in Bronchiectatis <i>Chair:</i> Eva Polverino, MD, PhD <i>Speaker:</i> James Chalmers, MBChB, PhD
		6:15 PM	Evening Symposium

SATURDAY JULY 14

NTM SESSION

Full conference registration includes the NTM session however separate registration is available for those wish to attend only the NTM session. Register on our website at www.WorldBronch.com and select "Saturday Morning NTM Session Only" when checking out.

7:30 AM	Registration and Continental Breakfast	10:30 AM	Panel Discussion: A Spectrum of NTM Cases <i>Co-Chairs:</i> David E. Griffith, MD; Won-Jung Koh, MD; Kevin Fennelly, MD <i>Panelists:</i> Shannon Kasperbauer, MD; Julie Philley, MD; Kevin Winthrop, MD, MPH
8:30 AM	Epidemiology and Environmental Factors in NTM <i>Chair:</i> Gwen A. Huitt, MD <i>Speakers:</i> Anne E. O'Donnell, MD; Kenneth Olivier, MD		
9:30 AM	Management of NTM Infections: Now and the Future <i>Co-Chairs:</i> David E. Griffith, MD; Kozo Morimoto, MD <i>Speakers:</i> Charles L. Daley, MD; Won-Jung Koh, MD	11:45 AM	Closing Remarks Timothy R. Aksamit, MD; Anne E. O'Donnell, MD

PATIENT SESSION *Healthcare practitioners are welcome to attend*

Full conference registration includes the patient session. Healthcare practitioners that wish to attend should select this optional session when registering. Patients may register for this session by visiting <https://CME.MedStarHealth.org/bronch>.

<i>Chairs:</i> Timothy R. Aksamit, MD; Anne O'Donnell, MD; Gregory Tino, MD	2:45 PM	I Have NTM Infection (MAC/M. Abscessus): What are My Options? Julie Philley, MD, PhD	
12:00 PM	Patient Forum Registration		
1:00 PM	Overview of Bronchiectasis and NTM Pamela McShane, MD	3:15 PM	I Have Pseudomonas Infection: What Are My Options? Gregory Tino, MD
1:30 PM	Why Do I Need Airway Clearance and Pulmonary Rehab? M. Leigh Anne Daniels, MD, MPH	3:45 PM	Panel Discussion <i>Panelists:</i> Shannon Kasperbauer, MD; Kenneth Olivier, MD; Kevin O'Neil, MD
2:00 PM	What Can I Do About My Environment? Anne E. O'Donnell, MD		Topics Include: • Finding physician expertise in my community • Pulmonary and ID interaction • Nutrition • Dealing with the laboratory • Obtaining appropriate medications
2:30 PM	Break		
		4:45 PM	Closing Remarks
